Notice to First Time Users

The ATRRS Internet Training Application System (AITAS) is to be used by Army personnel (Civilian and Military) to submit training applications for Defense Acquisition University Training. This includes classroom and Internet/Distance Learning classes. No action will be taken on applications submitted by Non-Army personnel.

Warning & Usage Statement

This is a Department of Defense Computer System. This computer system, including all related equipment, networks, and network devices (specifically including Internet access) are provided only for authorized U.S. Government use. DoD computer systems may be monitored for all lawful purposes, including to ensure that their use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures, survivability, and operational security. Monitoring includes active attacks by authorized DoD entities to test or verify the security of this system. During monitoring, information may be examined, recorded, copied and used for authorized purposes. All information, including personal information, placed or sent over this system may be monitored.

Privacy And Security Notice!
